

LIFE OF A
JEWISH LONGHORN
AT CHABAD AT UT

UNDERGRADS

"I've been coming to Chabad for the past four years for Shabbat dinners, lunches, and the holidays.

I am really grateful to have found such an amazing home away from home here. Words truly cannot express how grateful I am for your constant love, support, and willingness to always challenge me in the best ways possible. I have had some of my most memorable times here at Chabad.

*Gaby Souferian

JGRADS

Our JGrads branch is dedicated to serving Jewish graduate students, professional students and recent graduates who reside in the University of Texas area. We build community through career-networking, happy hours, holiday celebrations, Jewish learning, service projects, Shabbat dinners, and speakers.

JEWISH TEXAS EXES

"Chabad has proven itself to be my home away from home, cultivated a great culture for Jewish students on campus, and it possesses great leadership [opportunities], helping me to cultivate my own skills. Whatever the circumstance, Chabad was there to provide me with advice, support, and someone with which to speak. As a college student, I remember multiple times that I felt either overwhelmed or over worked and I was able to turn to Rabbi Zev and he provided me with wise words that I still refer to today."
